

Assembly Instructions for — WM80 Wall Chart Paper Support

A. Checking contents for:

Item not exactly as shown.

B. Mounting to the wall:

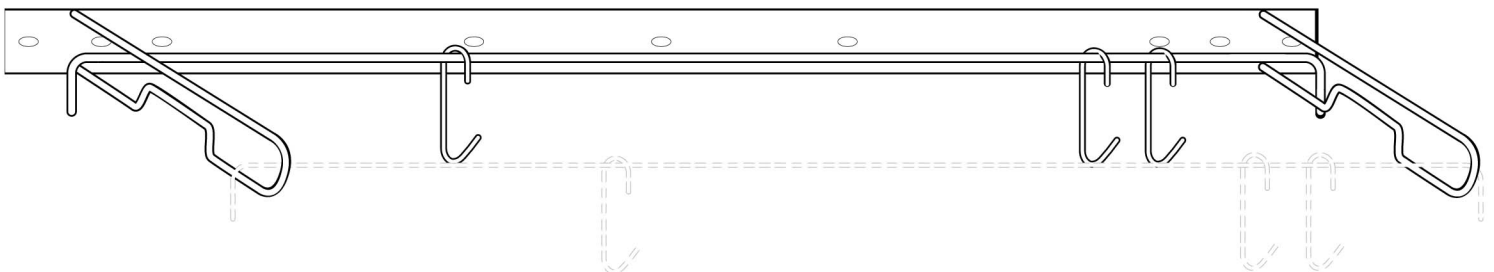

Please use the services of your custodian or maintenance person to insure the correct installation of your unit. They will choose the appropriate hardware (not included). **Copernicus Educational Products Inc. is not responsible for any damage to wall structure, property or persons as result of improper installation.**

C. Assembly:

1. Once attached to the wall (noting B left) proceed to insert the horizontal hangers. Place the horizontal hanger behind the rear guide as shown below.
2. Hook the wall mount chart hooks to the horizontal bar and proceed to hang either long or wide chart paper.
3. The horizontal hanger can be moved to the front "out" position to flip your chart paper page, then re-position it back against the wall all in a matter of seconds (right).

Item not exactly as shown.

If any parts are missing, broken or if you have any problems with the assembly call Copernicus Educational Products at **1-800-267-8494** or e-mail **info@copernicused.com**
