# Customer Service & Warranty Information

Dear Educator,

Thank you for purchasing the Bamboo Sensory Table. We hope it meets your expectations and you and your students enjoy using it at your school.

Every day we see and hear stories of teachers going above and beyond to help students thrive. Thank you so much for all you do – you are awesome, and you make a difference.

Thank you for inspiring us.

If you have any questions, concerns or ideas on how we can improve please let us know by contacting our Customer Solutions Ninjas at 1-800-267-8494 or [info@copernicused.com](mailto:info@copernicused.com).

Happy teaching,

Kaylyn Belcourt, President  
[kaylyn@copernicused.com](mailto:kaylyn@copernicused.com)

We do not inherit the earth  
from our ancestors, we  
borrow it from our children.

- NATIVE AMERICAN PROVERB

Change is the end result of all  
true learning.

- LEO BUSAGLIA

What you leave behind is not  
what is engraved in stone  
monuments, but what is  
woven into the lives of others.

- PERICLES

Education is the most  
powerful weapon which you  
can use to change the world.

**Lifetime**  
All Components  
Warranty

## Register your Product

Registering your warranty ensures we have all the information we need to make any future warranty claims quick and easy. Please visit [www.copernicused.com/warranty](http://www.copernicused.com/warranty) and complete the form within 10 business days from product assembly. By registering your product, you will be entered into a draw to win Copernicus product.

## Make a Warranty Claim

We offer a Lifetime Warranty on almost everything we make. Please call **1-800-267-8494** or email [info@copernicused.com](mailto:info@copernicused.com) to start your warranty claim. Proof of purchase will be required upon warranty claim (i.e. copy of invoice).

# Tips for Assembly

## Before You Begin:

- Lay out and identify all of the included parts.
- The hardware has been packed according to step
- Read the assembly guide over once to familiarize yourself with them.

## As You Assemble the Unit:

- Follow the steps in sequence.
- Before beginning each step, find the part(s) that you need for that step.
- The title of each step states what you will be doing. Review the text and the pictures as you build the unit.

## Watch for These Helpful Symbols:

2-Person Task

For safety, please have someone help you when working on steps displaying this symbol.

The symbol denotes a step needing extra attention to ensure it is done correctly.

## Important Information! Warning!

Please read the warnings below for important safety information regarding your product. Failure to read these warnings or to follow the instructions below could result in personal injury or damage to your product that could void your warranty.

### Small Parts

In its unassembled state, this product contains parts that can be hazardous to small children. This product should be assembled by an adult.

### Adult Supervision

This product is to be used under the supervision of an adult.

### No Maintenance

This product does NOT require maintenance. Repairs should only be performed by authorized personnel. Please contact customer service if repairs are required.

### Climb Hazard

Do not climb on, hang from or suspend objects from any components of your product unless otherwise specified.

### Indoor Use Only

This product is intended for indoor commercial use only. To reduce the risk of fire or electric shock, do not expose this product to rain or moisture. The internal components are not sealed from the environment.

### Do Not Use Power Tools

This product is not intended to be assembled with the use of power tools. Please use specified hand tools only, failure to do so may result in damage to the product.

## Bamboo Maintenance

When needed, wipe down with mild soapy water. A mild disinfectant can be used. A mild bleach water solution (1:50) can also be used. Wipe cleaning solution off after application.

Recommended cleaning frequency is once monthly, and at minimum, once per school year.

DO NOT leave standing water or cleaning solutions on the bamboo surface.

DO NOT use harsh chemicals to clean surfaces.
