New! Outdoor furniture
made with recycled
plastic lumber

NEW Recycled Plastic Lumber Furniture

Outdoor classrooms are becoming more common as schools increase the use of outdoor spaces. Furniture is just as important outdoors as it is indoors to help create inviting and inspiring spaces. These recycled plastic lumber products are built to withstand the elements, so they can stay outside all year round and blend into outdoor surroundings.

Durable & Low maintenance

Recycled plastic lumber requires no maintenance and is very durable with a long lifecycle because it does not rot, rust, or splinter.

Convenient

No need to worry about carrying out seat cushions or trips into the school to wash hands.

Sustainable

Made from 100% post-consumer plastic like bottle caps and plastic bags and 100% recyclable because it is not a blended composite material.

Meet our family of sustainable outdoor furniture

Outdoor Mud Kitchen is made with the equivalent of 7,893 plastic bags!

Outdoor Portable Sinks are made with the equivalent of 4,232-6,628 plastic bags!

Outdoor benches and tables are made with the equivalent of 6,364-35,819 plastic bags!

Outdoor Planter Benches are made with the equivalent of 47,727 plastic bags!

NEW Outdoor Portable Sinks

The PreK-5 premium model is made with the equivalent of 5,499 plastic bags!

Hand washing is the most effective way to kill germs, but having access to running water in entryways or in outdoor classrooms can be a challenge. This new sink is made with recycled plastic lumber that can withstand the elements and can be conveniently placed where students enter the school or moved to outdoor spaces. Unlike many other portable sinks, ours has a manual pump that does not need to be located near an electrical outlet.

NEW Outdoor Portable Sink PreK-5 premium model (SNK500) Made with the equivalent of 5,499 plastic bags.

Features:

- Sturdy frame made of recycled plastic lumber
- Counter height of 28"
- Manual paper towel dispenser: accepts all standard single fold and roll towels up to a maximum 6" diameter and 10" wide
- Hands-free soap dispenser
- Powder coated steel hood to protect dispensers
- Stainless steel sink and faucet
- Easy to fill and drain jugs (provides 50-60 hand washes): one for clean water (5 gal) and one for waste water (6 gal)
- Side window to view water levels in jugs
- Large 5" casters, two locking
- Easy-to-use manual foot pump (requires no electricity)
- The back can be locked (padlock not included)
- A steel locking tab allows the sink to be secured to a fence, etc. (padlock and chain not included)

Outdoor Portable Sink Grades 6+ premium model (SNK600) Made with the equivalent of 6,628 plastic bags. Same features as the PreK-5 model but with a counter height of 34 1/2".

Base models also available in both sizes

PreK-5 (SNK501) Made with the equivalent of 4,232 plastic bags.

Grades 6+ (SNK601) Made with the equivalent of 5,361 plastic bags.

Same features as the premium model, but without the overhead backplate, soap dispenser and paper towel dispenser.

Dimensions with hood down:

PreK-5: 47 1/4" H x 37 1/2" W x 20 1/2" D

Counter height: 28"

Grades 6+: 53 1/4" H x 37 1/2" W x 20 1/2" D

Counter height: 34 1/2"

Warranty

Lifetime

2 year on plumbing components

Base model

Back panel hooks to the handle while refilling

Side window indicates water levels and how many washes you have left

Hinged hood makes refilling soap and paper towels easier (premium model)

Steel tab allows the sink to be secured (padlock and chain not included)

NEW Outdoor Mud Kitchen

Made with 7,893 plastic bags!

Outdoor mud kitchens can help foster creativity, communication, imagination and collaboration, as well as motor skills. Our mud kitchen is made with recycled plastic lumber that can withstand the elements and can be conveniently placed wherever children play.

Counter height: 26"

Warranty

Lifetime

NEW Outdoor Benches and Tables

The grade 3+ set is made with the equivalent of 35,819 plastic bags!

These recycled plastic lumber benches and tables are designed to be outside and stay outside! They are not only built to withstand the elements, they are comfortable too because they do not heat up like metal or splinter like wood. They are very easy to clean, just by simply brushing them off or wiping them down with a cloth. The benches and tables are sold as sets or separately and for added security, ground anchors are also available.

PreK-2
