

Teaching Easels - Compare before you buy!

Product in focus

Classic Royal® Reading Writing Center (RC005)

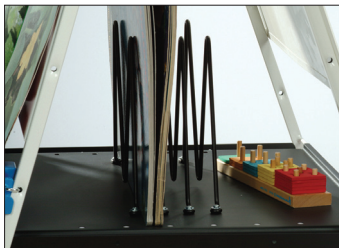

Top priorities: child safety and product quality

Before selecting an easel, ask yourself these questions:

- How will the easel stand up to the demands of an elementary classroom?
- Is there a warranty?
- Does the back of the easel offer additional teaching accessories?
- Does the easel provide storage for big books and other materials?
- Was the easel designed with child safety in mind (no pointy corners or sharp edges)?

Ultra-Safe adjustable premium book ledge

Big Book Rack is easily accessible

Rear removable and adjustable dry erase board (lined one side)

Slide out tubs with safety stops (tubs are made from recycled material)

Magnetic Page Paws hold big book pages
