

NEW! Double Hand Sanitizer Station (SAN200)

This sturdy stand is ideal for static areas like building entrances. Its height makes it appropriate not only in a school setting, but also for businesses and public spaces. Post instructions, a welcome message or hours of operation to help visitors.

Features:

- Sturdy metal frame is easily wiped down
- Magnetic board to post instructions and entry protocols
- Floor to bottom of dispenser is 38 3/4"

Dimensions

56" H x 26" W x 22" D

Warranty

Lifetime

Please note:

- Fits any **manual** wall dispenser or add ours (HSD3)
- Dispenser sold separately
- Sanitizer not included
- Drip tray shown is only available with our dispenser

Optional add-on:

No-touch automatic dispensers

- Dispenser is refillable from bulk sanitizer jugs so there is no need to buy disposable refill cartridges
- We tested our dispensers over 400,000 times!
