Real
Classroom
Ready™

"We need an affordable solution that will allow us to safely store, charge and share iPads® and Chromebooks™ in small sets throughout the school."

Tech Tubs® store and charge iPads®, Chromebooks™ or a combination of both. They are ideal for schools that share devices, or for 1:1 environments, they can be placed around the classroom to ease deployment bottlenecks. Tech Tubs® are sold individually, allowing schools to 'grow their technology' at a pace that supports their device budgets.

Tech Tub2® - holds 6 devices (FTT700)

- **NEW** Individual tubs can be locked together for added security
- Holds all generations of iPads®, most 11" Chromebooks™ and other tablets
- Adjustable shelves for devices with and without cases
- Internal 6 outlet power strip with surge protection
- Cable hooks on the back to manage cord during transport
- Handle on the top and ergonomic handles on the door and back
- Made from durable high impact ABS plastic
- Ventilation holes throughout to prevent heat build-up
- Mounting hardware to secure tub to a surface
