### Product Features:

#### Personalized Classroom Organizer:

The Work Caddy™ is a simple, lightweight organizational solution that keeps traditional and tech learning tools in one secure place. Students can easily store devices, headphones, work in progress, readers, pencils and stylus' in the durable case. The Work Caddy™ helps promote productivity and allow for more instructional time because students have everything in one spot, reducing the amount of time required to go to different areas of the classroom for their tech and traditional tools.

#### Conveniently Portable:

The Work Caddy™ allows students to have all their learning tools close at hand and easily transportable from class to class, library and outside—wherever learning takes place in your school.

#### Device Storage and Protection:

The Work Caddy™ holds a range of iPads®, tablets, Chromebook™, Netbooks and laptops. The Work Caddy™ is made of durable plastic and comes with an easy-grip handle that doubles a hook that can keep all its contents up off the floor, and the security straps keep devices safe during transport.

#### Headphone Storage:

Whether your students use earbuds or full sized headphones, the Work Caddy™ help teachers organize and manage their student's headphones. Let your students be there own masters - the headphone storage bag is designed for the youngest of learners to keep their headphones tidy. Made out of nylon, the headphone storage bag can handle the wear and tear of the classroom environment and can be cleaned easily. Fits most headphones up to 6" (15.2cm) wide by 7-1/4" (18.5cm) high.

#### Device Stand:

The slide out device stand creates a convenient space for students to set their tablet, with or without a case. It allows both the Work Caddy™ and tablet to remain on a student's desk for easy access to the other contents stored in the Work Caddy™. To use, slide out the tab, listen for it to pop into place and you're all set!

**Device Security Straps**

Don't forget to keep your material safe during transport. Each Work Caddy™ comes complete with security straps that keep your device and materials from accidentally spilling out while being carried.

**Stylus and Pencil Holder:**

Whether your student needs a stylus to work on their device or a pencil to finish an assignment, the Work Caddy™ includes a storage space for both!

**Highly Durable, Heat Resistant ABS Plastic:**

The Work Caddy™ is molded out of an ABS polymer that is both stronger and more resistant to heat than our line of storage tubs.
