

3 in 1 Interactive Easel

(E3IN1)

Real
Classroom
Ready.

"We need an interactive solution that encourages collaboration and accommodates all students."

Three interactive modes, table, easel and floor, engage students of all abilities with the lesson and each other.

3 in 1 Interactive Easel (E3IN1)

Center does not include the projector.

- Easel is angled at 65° / aspect ratio: 16:10 / image size: 51" (diagonal)

Table Mode: 45" H x 43" W x 43 1/2" D
Floor Mode: 45" H x 43" W x 49" D

Warranty

5 year frame and table surface
Lifetime Tech Tub®
Lifetime Small and Open Tubs
1 year gas cylinder
1 year power strip

Easel Mode

When set in easel mode the 3 in 1 allows for all students, including those with special needs, to interact with the technology and reach previously inaccessible parts of the work surface.

Table Mode

The table mode is perfect for small group activities where students can collaborate on an interactive surface. The durable surface has rounded corners to ensure students and teachers avoid painful bumps.

Floor Mode

In floor mode, students can completely immerse themselves in the content and physically interact with the lesson. Special needs students with mobility restrictions can easily participate in activities to create a truly inclusive learning environment.
