Have your packing slip ready for reference.

WARNING

- **This product is meant to be assembled by an adult.**
- **In its unassembled state, small parts present a hazard.**
- **To be used under direct supervision of an adult.**
- **This cart is intended for institutional use.**

*Shown with SMART MX265 Flat Panel (sold separately)

*Laptop not included

Warning – Supports a maximum screen size of 90".

Warning – For use with flat panel screens weighing 250 lbs (113.4 Kg) or less. Use with heavier flat panel screens may result in instability causing tip over resulting in death or serious injury.

Avertissement – Peut supporter une taille d'écran maximale de 90".

Avertissement – À utiliser seulement avec des écrans plats pesant jusqu'à 250 lb (113,4 kg) ou moins. L'utilisation avec des écrans plats plus lourds peut causer une instabilité provoquant un basculement qui risque la mort ou des blessures graves.

Customer Service & Warranty Information

Dear Educator,

Thank you for purchasing the iRover2™ for Interactive Flat Panels. We hope it meets your expectations and you and your students enjoy using it at your school.

Every day we see and hear stories of teachers going above and beyond to help students thrive. Thank you so much for all you do – you are awesome, and you make a difference.

Thank you for inspiring us.

If you have any questions, concerns or ideas on how we can improve please let us know by contacting our Customer Solutions Ninjas at 1-800-267-8494 or info@copernicused.com.

Happy teaching,

Kaylyn Belcourt, President

Lifetime
Frame Warranty

Register your Product

Registering your warranty ensures we have all the information we need to make any future warranty claims quick and easy. Please visit www.copernicused.com/warranty and complete the form within 10 business days from product assembly. By registering your product, you will be entered into a draw to win Copernicus product.

5 Year
Electric Lift
Warranty

Make a Warranty Claim

We offer a Lifetime Warranty on almost everything we make. Please call 1-800-267-8494 or email info@copernicused.com to start your warranty claim. Proof of purchase will be required upon warranty claim (i.e. copy of invoice).

Tips for Assembly

Before You Begin:

- Lay out and identify all of the included parts.
- The hardware has been packed according to together in one bag.
- Read the assembly guide over once to familiarize yourself with them.

As You Assemble the Unit:

- Follow the steps in sequence.
- Before beginning each step, find the part(s) that you need for that step.
- The title of each step states what you will be doing. Review the text and the pictures as you build the unit.

Watch for These Helpful Symbols:

For safety, please have someone help you when working on steps displaying this symbol.

The symbol denotes a step needing extra attention to ensure it is done correctly.

Important Information! Warning!

Please read the warnings below for important safety information regarding your product. Failure to read these warnings or to follow the instructions below could result in personal injury or damage to your product that could void your warranty.

Small Parts

In its unassembled state, this product contains parts that can be hazardous to small children. This product should be assembled by an adult.

Adult Supervision

This product is to be used under the supervision of an adult.

Climb Hazard

Do not climb on, hang from or suspend objects from any components of your product unless otherwise specified.

Indoor Use Only

This product is intended for indoor commercial use only. To reduce the risk of fire or electric shock, do not expose this product to rain or moisture. The internal components are not sealed from the environment.

Power Strip Specifications

Read your power strip electrical specifications. Only plug in devices that are approved for use with this power strip. Connect the supplied power strip directly to a wall outlet.

Do not connect to another power strip or use an extension cord. Turn off power strip before unplugging. Unplug when not in use.

Electronic Equipment

Read the electrical specifications of any electronic equipment you are using with your Copernicus products. Failure to read these specifications and follow their instructions could result in damage to your equipment or personal injury.

Cable Trip Hazard

Ensure that any cables extending across the floor to your product are properly bundled and marked to avoid tripping or falling which may lead to personal injury.

Electrical Shock

Do not install or use the electrical components of this unit during a lightning storm.

Final Assembly Checks

Check entire assembly for loose parts; tighten all casters, bolts, screws and nuts

Tighten all casters using
supplied Caster Wrench.

Keep wrench with unit.
Casters must be tightened
every 6 months for proper
maintenance.

Warning - When moving your flat panel cart through a door ensure that the unit is shorter than the height of the door.

1

2

! Always turn off and unplug the flat panel screen before moving.
■ Stow away laptop tray before moving.

Warning - Can tip over resulting in risk of injury. Do not allow children under 16 to move cart. Move cart slowly.
