# Tech Tub® Trolley

## Product Features:

### **Mobility:**

Two 8.9 cm (3.5") wheels allow for mobility. The Tech Tub® Trolley fits through 30" door frame. The handle makes moving the cart easy and supports the lid when open. The Trolley offers two different height levels for the handle to make it easier for children as well as the teachers to carry the cart around.

### **Security:**

The Tech Tub™ is secured to the Trolley and one padlock secures the devices within the Tech Tub™. The padlock is highly durable. The Trolley can be secured in a class by using a bike-type lock around the rod at the front of the unit.

### **Stability:**

Frame base of 30.5 cm W x 34.3 cm D (12" W x 13-1/2" D) adds stability to unit. Please ensure the Tech Tub® cords are wrapped around the cable hooks before moving the unit.

### **Wire / Powerbar Management:**

TEC606 - The power strip's cord from the 6 device Premium Model Tech Tub® can be wrapped around the fixed cable hooks on the back of the Trolley.

TEC606B - For the Base Model Tech Tub® the power strip is mounted on the side of the Trolley on the powerbar tray. The power strip's cable can be wrapped around the fixed cable hooks on the back of the Trolley. Only one power strip can be placed on the powerbar tray. The mounting space on the powerbar tray is 8.3 cm W x 28.6 cm D (3-1/4" W x 11-1/4" D).

Extra iPad cables can be wrapped around the double sided cable hook that can be placed inside or outside of the Tech Tub®.

### **Padlocks with Keys (TEC600):**

These highly durable padlocks help keep your Tech Tub® secure and your devices safe. Padlocks come with four keys per lock and are keyed alike for ease of access and convenience.

### **Internal Six-Outlet Powerbar (TEC600):**

Easily charge all of your devices at once with the internal power strip. Includes six outlets and is removable to access additional storage area found below. The power strip offers surge protection for your devices from lightning storms, etc. Cable hooks on the Tech Tub® help keep the 8-ft cable wrapped and organized during transportation.
