Black iRover2® for
Interactive Flat Panels

NEW Black iRover2® for Interactive Flat Panels

Move your interactive flat panel anywhere needed in your flexible workspace.

Interactive flat panels are ideal for team huddles and breakout sessions. This cart is also handy to help display wayfinding maps or as digital signage to aid employees and visitors as they navigate your facility.

29"-46" from floor to bottom of screen

Model with handles shown in mid-height position with optional sound bar mount sold separately
(IFP500-BLACK)

Laptop tray with a strap to secure laptop. The laptop tray fits securely onto either arm or the back and can be stored behind the flat panel during transport.

Storage bin for cable management and remotes.

Altnernate product variation without handles
(IFP501-BLACK)

NEW iRover2® for Interactive Flat Panels (IFP500-BLACK)

Features:
- Laptop tray with strap to hold up to a 17" laptop and can be stowed
