

NEW! Pack and Go Whiteboard Easel (PGW01)

Many schools are using outdoor spaces for lessons to help distance students and a whiteboard is a key component in setting up an outdoor classroom. This handy easel is lightweight, has a comfortable shoulder strap for hands-free carrying, a marker pocket and a kickstand to set it up at an angle. It can sit on the ground, picnic tables or be used anywhere in a school and can also be hung by attaching the strap to the hooks (hangs portrait or landscape). Store inside.

Features:

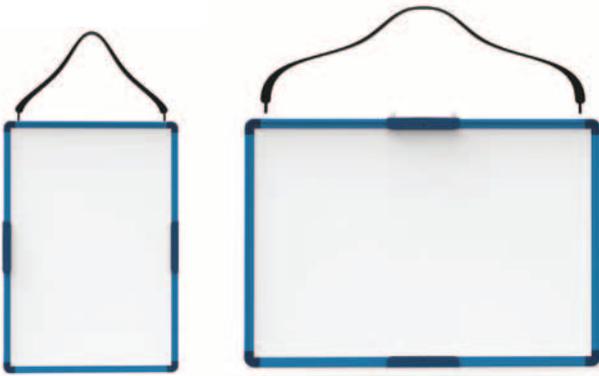

- Dry-erase and magnetic whiteboard
- 1 ½" wide adjustable nylon strap for carrying
- Strap can be attached to hooks to hang board in portrait or landscape orientation
- Storage pocket on the back to hold dry-erase markers
- Metal kickstand for standing up
