Each family gets a tree 每个家庭一棵树

A mulberry tree 桑树

We will plant our tree here! 我们的树种这儿吧!

Our tree is planted! 我们的树种好啦!

Let me water this tree before you take
a photo! 等我先浇水，你们再拍照吧

I know how to plant a tree. 我知道怎么种树

My little tree, please grow up quickly. I hope you are as healthy as I am.

Let's get rid of the grass

We can help you.

Write down our best wishes.

I wish the little trees in my heart could grow quickly
and become useful to the world—by the mother.

Tree will need sunshine, so I draw a sun for it.

I wish more and more people could come together to protect our environment.

My lovely tree, when can you grow up
to be as tall as I am?

I want to protect you everyday...

You will not be lonely, I will come to see
you next time.

Love our earth

Someday, you will be fruitful...

This land will become a little forest in the future. Then...

We will all come back with our parents,
we could ...

Play Games

Sing a song for you

Dance together

Even play Kong Fu

We know, there is more we should do to
create a beautiful world.

And it will never have an end...
